To: Whom it may concern.

My name is Shawn Thomas, inmate register number 63986037. I am writing requesting an extension on my 2255 post conviction. I am currently incarcerated at U.S.P. Lee located in Jonesville Virginia where I have been for the past 10 months. Since my incarceration here, I have not received any of my legal work so I can study my case. Whenever I submit a request to my Unit Manager verbally or written to review my sentencing transcripts I seem to get some type of excuse. I have only been granted access to review my legal work one time, which totaled ten minutes. Since being here we have been locked down 6 out of 10 months. This is hindering me from getting to the law library, and not being able to pass my legal work is interfering with my chances at possibly getting back in court. I am asking with deep veneration if the courts would grant me a extension for my 2255. I need to make certain I am going over everything correctly. Lastly I am requesting a copy of my docket sheet, as well as my statement of reasons. Please let me know if I will be granted the extra time my deadline is March 12th 2020.

Respectfully Submitted,

Shawn Thomas
